**DETAILED ACTION**

1. Claims 2-5, 7, 9-12 and 14 are pending in the present application.
2. Claims 12 and 14 have been amended.

***Allowable Subject Matter***

3. Claims 2-5, 7, 9-12 and 14 are allowed.

4. The following is an examiner's statement of reasons for allowance:

In the response mailed August 19, 2008 dependent claim 13 was noted as allowable if amended to include all of the limitations of its base claim and any intervening claims. The amendment to claim 12 includes the limitations of claim 13. Applicant's amendment overcomes the rejection cited under 35 USC 103(a) as being unpatentable over Segal et al. *Dynamic Program Updating in a Distributed Computer System* in view of Neogi US Patent 6,650,620 B1. Claims 3, 5, 10 and 12 are independent claims. Regarding independent method claim 3, the prior art of record does not teach the combined elements of *updating a computer system responsive to a size of an update information and a difference in times between a performance of receiving update information* as cited. Also, regarding independent method claim 5, the prior art of record fails to teach *updating a computer system based on storage size*. Specifically, regarding claim 5, the prior art of record fails to teach wherein *a combination of the first set of update information and the third set of update information for the second set of*

*update information exceeds a storage size, and wherein requesting the third set of update information for the second set of information in the third request is responsive to at least a size of the second set of update information for the first set of information not being larger than the storage size.* The limitations of computer program product claims 10 and 12 parallel the language of method claims 3 and 5; therefore they are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
